# January 2023

Well, that's month 1 under our belt of 2023 already!

We hope you enjoy the new look newsletter and look forward to seeing you all soon.

## **\*\* Events Update \*\***

What a wonderful welcome the Corinthians gave the [new year](#) as the clock struck to mark the start of 2023. We were treated to a wonderful feast and toasted the occasion admirably!

As memories fade of the delicious [Christmas Lunches](#) no doubt many of us are dreaming of warmer temperatures and thinking about those maintenance tasks that haven't quite made it to the top of the priority list.

A great time was had celebrating Burns night once again - see more pictures and the presentation of the haggis [here](#)

## **\*\* Training Update \*\***

Our [training offerings](#) are taking shape, there are already some amazing savings and deals available - get in quick!!

**Have a look at the linked page to see the latest offering courtesy of Andy Wright who has some really great classroom based deals for us, and Ardent online offers coming soon**

Recent online offers coming soon...

**\*\* 2023 Sailing and Social Events schedule announced \*\***

We have a [provisional events calendar](#) now, of course the sailing may be altered by the weather but we are really looking forward to the season, keep an eye on the [official events calendar](#) and the WhatsApp groups in case any impromptu moments arise that we can make use of!

Fill your own calendar (there are just [a few club ones](#) left if you missed out by the way) with talks, quizzes, game nights and more.

Congrats to those of you that have braved the cold already.

Many of you completed our annual survey in January and the feedback is most useful, thank you very much!

We have looked at all the categories and updated our 5yr business plan accordingly.

The main themes range from redesigning the downstairs to make it more like upstairs, to looking at bar menu and also at how we sustain opening hours.

Watch this space!

Thanks for reading and have a fabulous February !
