February 2023

Welcome to the latest RPCYC newsletter , we hope you find it interesting and useful! The weather has been on the chilly side for the last few weeks but despite this a group of adventurous members completed the 1st Cruise in Company of the year which you can read about below. We wished happy birthday to a number of Corinthians including Ross, Dee, Chris L and we had a magnificent turn out at the AGM. We learnt about what to keep at hand in a crash box and look forward to Adrians next talk night. We had a great electric motor display at the club house and received our Certificate of Commendation from the RYA and we are nearly at our next milestone target of 300 members.

We are sad to report that Scampi, the club mascot, passed away this month. He was a much loved , mild mannered little chap that will be missed and all our thoughts are with Julie & Neil at this time...

Charles Doody

Our deepest condolences go to the family of Charles Doody, former club member and Director, who sadly passed away in February.

Latest from the PPSA

This month we re-established links with the PPSA ([Port of Plymouth Sailing Association](#)). The PPSA coordinates, supports, encourages and promotes all sailing activity within the Port of Plymouth and the surrounding area. In addition to protecting the interests of all who sail in the Port and representing all affiliated member clubs and organisations, the PPSA coordinates the annual sailing programme, organises the annual Port of Plymouth Regatta, and promotes the Port as a venue for dinghy and yacht championships.

Our Commodore has accepted the role of Chairman of the PPSA Cruising Sub-Committee and will be looking to establish links between all interested parties to expand and promote Cruising in Company opportunities for all Clubs in Plymouth.

RPCYC members keen to try or build yacht race experience can benefit from the newly agreed free Yacht rating system and inclusion in new race formats to allow staggered starting procedures.

Coming Soon

Refurbishment of the downstairs bar is set to commence and we are excited to share details of an enhanced wine list for Spring/Summer , watch this space!

Thanks for reading and have a fabulous March !
