June 2023 Newsletter

Greetings All! It has been another great few weeks at the RPCYC, kicking off with HM the Kings's coronation at the beginning of May, we've enjoyed more talk nights , quizzes, F1 and SailGP nights , Cruising in Company to various destinations, Cocktail nights , boogie nights and more hands across the Ocean with a new affiliation across the pond. It's hard not to talk about the weather but hasn't the weather been magnificent, if a little breezy from the East! Please come in and see us at the club house , if you haven't experienced the new layout, bar menu and often a new set of friendly faces welcoming everyone , we think you will be pleasantly surprised!

Anyway, please enjoy this month's newsletter and don't forget , if you'd like to write an article or share anything via this newsletter then feel free to send the content across to commodore@rpcyc.co.uk by the end of the month.

... talk right the month has about "Generations in meal and nutrition planning for improved performance in trans-oceanic singlehanded sailing" which was certainly food for thought! We also enjoyed another RPCYC quiz night and thanks go to Gary for leading on that one.

This month we hosted The Old Gaffers who were in port on their way around Britain. Well done and Thanks and well done to Jan, Graham, Patricia and Marilyn for hosting!

Great to get more dispatches from Bermuda where Tony has exchanged burgees with the Royal Bermuda Yacht Club and we extend a warm welcome to any members

We have been gifted a wonderful book called Harbours and Anchorages of Scilly written by David Eastburn and Tim Good. The authors are touring around Britain at the moment and may be dropping in to the club in the coming months to chat about the book which we know will interest a lot of members! Please feel free to borrow the book but please return it for other members to have a look at. Copies can be purchased on Amazon.
